

ARCHITECTURAL SHAPES

UNIQUE INDIVIDUALITY.

Add some circles, triangles, and hexagons to your home. Or how about an eyebrow or a cathedral? We offer a complete line of architectural shape windows for remodeling and replacement use. They add a unique individuality to any room, and are crafted with the same meticulous attention to details as all Superseal products.

They're available in the full line of Superseal's performance and decorative glazing options. Exterior colors are European white, beige or optional Ultrabond paint colors.

SUPERB SEAMLESS FACTORY MULLING.

Our continuous head & sill factory mulling assures you of a super seal, superior leak resistance, and faster, easier installation.
